Dearest Kabelo3

I received your reply months back and replied but I do not think it went through because I did not do it correctly ☹️

I wanted to let you know I appreciate your words. This I look forward to even and every day I wish I could hear more of it. If we don't get too much here I wanted to write and let you know I would really enjoy hearing more from you. and thank you for your compliments art is what keeps me at peace. It's nothing spectacular.

I do want to thank you again and let you know I do look forward to hearing from you.
