

# The Cycle Of The Word

5-15-14

The Man upstairs, which He is sometimes referred as, is the High King of heaven, yet humble enough to be our Father. He sits ~~in~~ the throne room of the universe surrounded by grace and favor for the undeserving.

What a privilege it is to be able to come to His throne, in prayer, unafraid with utter freedom and confidence. Assured that we are always welcomed with open arms.

What good news it is to know that we'll find mercy for our failures; mercy that lets us come <sup>to Him</sup> with our mistakes, sins, needs, and sometimes wants. His grace endures forever and I give thanks to God that He is always ready to forgive, always eager to hear my voice and answer my prayers.

I also thank God for the dedicated Sunday school teachers, Bible study leaders, and missionaries from our local churches and beyond. They instill bold access and refreshment of the Word, which empowers new believers with a new spirit. Their work as God's servants is His work and attracts newcomers, young & old, back week after week.

Their ministries and service bring many to Christ and ground them in the Word. In turn, those they influence will become teachers and leaders, in both the near and distant future. This cycle of the Word has been spinning since the beginning and the wheels of the Word shall continue to cross the path of men & women until Christ's second coming. God bless the cycle of the Word.
