

For A Brief Moment

I came to your poor, wretched world only for a brief moment to share an everlasting beauty that you could look upon in my face;

That you could hear in my song and feel in my heart of hearts;

That you could smell in the aroma of my perfume, and taste the delicacy of my lips;

So you could run your fingers through my hair--soft as silk;

so you could see me dance to your favorite melody--poetry in motion;

So you could rap to me and share your deepest emotions and make memories that will stand the test of time;

Now I must journey on; leave your world behind to explore the universe-divine and wait for you at the door to eternity.
