Dearest Lynette,

Can you please print out copies of two article here on the blog;"Guard Depreciation Week at Shirley World" and "What do first responders say about: The Toughest Beat In The State???" . Thnak you for your kind comments on the blog and you were right about the poem: it is about our blessed Mother Mary. Please print-out the two articles and send them to me along with any new emails we may have received. As always your assistance is greatly appreciated. I am, In Struggle, TJM.
