Title of cpt. Thank's for your comments. I AM Responding
To your comments on REARVIEW MIRROR... 3-14-14

You must know that what you saw and how it
made you feel, made you the man you ARE today!
A dedicated father and loyal husband, That experience
"DID NOT Imped anything"... It helped you mold &
Shape what kind of man you survive to BE. I spent
most of my life silent. But God showed me, I had
A voice and then he gave me A platform, to use it:
and I speak with the authority of my past experiences.
Because they ARE TRUTH, I don't speak on nothing I have not went
thru and what I learned from it. That's what's so powerful
ABOUT what I write, and why it hit's home for some. TRUTH
UNspoken is like a peach tree, That's Big & Tall But yeld's
no fruit year after year.

It's insane to continue to do the same thing year after
year & yeld no results. we must BREAK THE cycle. SO
I tip my hat to you. Because you made a consiecnce
choice to do, and BE A BETTER man, than what your
past taught you. and That's Big. many never want to
even try.... more so now days; That's why I am so HARD
on my lil Bro Russell. may God continue to Bless you
& keep you.. like only He can do,

Respect. yo Boy
