"Ripped off again"

I was ripped off by Cummings Media-CEO & publisher Sean Cummings. I payed the requested payment to receive "6" issues of thier Show magazine. They only sent me "2" of the "6". I've written to them at least "10" times, But they fail to respond. I am in a lock-down unit and do not have access to a telephone. If any one can help me contact them, I would appreciate the help. The office phone is 877-651-2819 or the fax is 213-402-4636. It would appear they are taking an advantage of me because I'm an inmate. I guess oppression is alive and well.
