In response to Informal Grievance 06-14-139, Inmate Clark, Ronald, FDC# 812974, 06-08-2014

Inmate Clark, Ronald,

Your informal grievance states:

"I'm grieving the fact that the FD.O.C. will not allow me to participate in the GED and educational program to better myself, I've been incarcerated for 23 years, 4 month's here in the F.D.O.C. One guy down the hall and another in 5-wing have been here right at 40 years. So there's no reason that death row inmate's should sit in these cell's for decades without access to educational services. I'm calling for this to change thank you for your time and help."

Enrollment guidelines are defined by FL DOC policy 501.106. In the policy, it states that a death row inmate cannot be enrolled in educational services; your informal grievance is therefore being **DENIED**.

You may obtain further administrative review of your complaint by obtaining form DC1-303, Request for Administrative Remedy or Appeal, completing the form as required by Rule 33-103.006, F.A.C., attaching a copy of your informal grievance and response, and forwarding your complaint to the warden or assistant warden no later than 15 days after the grievance is responded to. If the 15th day falls on a weekend or holiday, the due date shall be the next regular work day. Form DC1-303 is incorporated by reference in Rule 33-103.006, F.A.C.

I've tried to Fight this issue of educational services numerous times. The Dept of corrections will not budge on this issue. Last thing Florida needs is 400 educated cleath row innates Fighting this system. I'll push this grievance through, and at the end post the appeal.
