Hello, I received your reply and really appreciate your response. It's nice to know someone is actually reading! I started writing in hopes of maybe getting a pen-pal. It's a very boring and lonely life in here.

So anyone I actually hear from is a great experience for me and that alone is meeting someone new, sharing ideas and small talk.

I wanted to extend an invitation to you in writing. If you would like, I know it may not be your ideal of a pen-pal. But I'm actually not that boring of a person and what could it hurt. Right?

Anyway, I do hope to hear from you. My address is Teddy Drake #159339 93rd FM 1673 Snyder, TX, 79549

Respectfully

Teddy D.
