I took the time 2 notice that u ~~poor~~ put
a "1" behind ur name is interesting. I
wonder its implications... I'm not that smart.

Life finds me searching for LDFB (the Good)
[Corea Bentenrany 30 verse 20] searching 4 hopefulness
in the midst of the mucklave. Prison suffered a
power outage 2 days ago now things are broken
as broken as the lives of these men who
reside here. I can't call them "inmates" it's 4 bad
by my internal consideration. Nobody dreamed of
coming here when they were 5 or 6. Feel me?
2 me rehabilitation means returning to those
moment of Innocence. the time of youthful bliss -
B4 the accident. I was sposeed 2 B a doctor or
fill in the blank (_____) Gal says I'm a
Minister. Because that is for I naturally failed
at being a "gangsta/thug/criminal" Truth B told
I'm no good at bkn. an ~~or~~ "inmate" either.
See I'm daily determining 2 live FREE & I ha been
persecuted by staff & members of my incarcerated
community, simply 4 smiling ; so my only legal
recourse is - SMILE HARDER 😊 I miss smiling --

I miss women... I'm sayin I'm in an all male
environment, which is not natural under any religion
or school of thought - real ceenes is 2. 16 1/2 yrs
of no women has helped me 2 ~~value~~ value
womens listening ear & philosophy on life. Especially
their ability 2 see more in me than ~~I see in~~
myself. More especially their words of thoughtful
encouragement Amen.

So Mrs Dawn, thank u 4 the "Great job can't
wait 2 see it published - Always watching & smiling 😊"
These thoughts & sentiments were a much needed

"Pick me up" - In response 2 ur seeing it published comment. All I can say is "it became published & when I blog'd it" Thanks 4 being friend of me.

I miss women --

I miss God... area Job 29 verse 1-6

I miss God, cause I got sick tracked tryin 2 write books as if my Christianity would be measured by earthly success or how many souls I won. That's so not true. Amen. So baned by #AD I sought publishers while havin no books done! Xikes. I sought publishers while still learning the writing industry I sought 2 publish books tellin people all about God, while failin 2 reflect Jesus Christ in daily life. I'll explain.

Sometimes I lack the love needed 2 LOVE a person's soul. Sometimes I could just care less. Sometimes I'd rather just be away from people. I still struggle w/ up close & personal. See LOVE-TRU GODLY LOVE-~~RS~~ SPIRITAL Jesus died 4 u cause He loves ur soul. read Psalm 49 & Isaiah 38:17 Amen. Sometimes when people get on my nerves the last thing I want 2 do is give them -Jesus - Xikes! I need 2 take a commercial break from prison.

Amen. I got 2 get back disciplined. Right now I'm 2 focused on pleasing people & I need 2 be focused on pleasing God. Amen. Cold Water Sandwiches (R) aren't delicious I need 2 get back 2 spending all day w/ God. Right now Sodom is tempting me with "kickin it price & ego" Some body pray 4 me 2 be disciplined & for the 9 to forsake basketball 4 working out. Amen. B-ball hurt my body NE ways

Read Psalm 61

Peace out
