

UPDATE: PUSSY RIOT STORMING THE WORLD STAGE

"ENEMIES OF THE STATE
Masha Alekhinia and Nadya Tol-
konnikova of Pussy Riot have been
vilified in Russia for their fearless
brand of activism. Here they're
a cause célèbre!" By Sara Corbett
VOGUE JULY 2014, P. 20 VOGUE.COM

our band of friends, Masha, 26,
and Nada, 24, were recently in
the USA raising awareness to
their universal HUMAN RIGHTS cause
and to their new group "Zona
Prava"; which translate to "ZONE
OF RIGHTS". Zona Prava was
founded to monitor and report on
abuses inside of Russia vast
and secretive prison system..."
As previously shared here,

Our friends also visited USA prisons like New York's Rikers Island. And there is no borders limiting their universal activism!

"Our minds are always on the prisons. We have friends, who are still in there, in disgusting conditions says Masha... who with Nadya... spent nearly two years incarcerated in Russia." p. 120.

"As I get to know them, it really hits me how they're willing to sacrifice for their cause;" says director and friend Spike Jonze, p. 122

An excellent and illuminating article! Please read and share
