

## ADULT CONTENT!!

Astrid Bergès-Fribøe Through  
The Looking Glass!

FIRST LOVE!

I had the strongest Sexual Fantasy!  
While doing self-love,  
Astrid was staring full face  
from my lovely video-Dream!  
But that sweetest cover girl look  
was like saying: "Hey I am  
posing for us" but behind her  
magical smiling seeing eyes  
"Isn't this sh-...!!! laughable FUNNY!!!"

- P. 220

So, I burst out -  
But this first time loudly laughing!
