

HAPPY BIRTHDAY MR. PRESIDENT
BARACK H. OBAMA, 53rd,
AUGUST 4, 2014

Mr. President, this celebratory
occasion allows for a perfect
opportunity. Plus I just seen Pre-
sidential Historian and Author Douglas
Brinkley on Charlie Rose, PBS.org
assessing several Presidents, you
among them, to remind your haters!

That like most haters, and Mr. Brink-
ley may not now can admit this—
however, yours shall guarantee your
presidency a place among Lincoln;
FDR; JFK and LBJ.

Why, it's short and sweet being the
historic first Black President the
Racist blocked your programs!!!

So, its becoming the great myth
of what more [e.g. "OBAMA CARE"]
you would have accomplished absent
the Haters obstructions!!!

Similar, to Hayes-Tilden compromise!
