To no one in particular

Hello, I hope this finds you in the best of health and spirit. I'd hoped by now to have heard from you, but I do know how busy having a life can be. I am doing well I actually am already completing my Cognitive Thinking class. There's nothing else left here for me to take except Computer Recovery and they said I couldn't take it because I've already taken a trade and that I would have to be within two years. Since completing my GED I've felt I've accomplished a great deal but with no one to celebrate with. So I am writing to you to share my accomplishments I'm happy for myself because I could have been like most inside here and not done anything at all but my time and that would be a complete waste

They said I'd get to have a picture taken

But who do I have to send it to? Ü I'll

send it to you! I already write to you

almost weekly sharing my life stories somehow

I feel you already know me (LOL)

I also thought I would surprise you all with

a little drawing on one of the types of cards

I do for others in here. I thought most of you

would like to see something pretty for a change

I hope you like it. I made it for no one in particular Ü

well I wish you all well until next time take care

and be safe!

Sincerely

Jeddy
