

Dear Mother

Mother,
May I,
Say I,
Adore you,
From the floor you,
Raised me,
Taught me,
Brought me,
Through cheese over pound cake,
I couldn't wait,
Eleven,
It was like heaven,
Twelve and thirteen,
Birthday parties in my teens,
Never mean,
You helped me dream,
New day,
Holiday,
Everyday,
I say,
Mother,
Easter meal,
With an Easter feel,
Fill,
China plates,
No debate,
What's my fate?
I'll soon get a date,
Can you relate?
Mean while,
You make me want to hug you,
Love you,
Of course, I adore you,
Winner of me,

Master piece,
Me?
No,
Mother,
You,
Mold me,
Mold of you,
Yeah,
You hold me,
Stamped me,
Approved me,
With your stamp,
Of approval,
No removal.
