Young Vince, good 2 hear from u. Old school homie :)
The tears u shed R appreciated, that means God wrote
what u read!! I pretty much be cuttin it -at times. My
"transcending this realm" is so totally a result of Jesus
See God is not only transcendent but immanent. U R
brilliant enuff to know what that means, but
4 those who find these ~~too~~ words foreign, let
me explain & make it plain.

As we allow a ~~dear~~ God ~~who~~ ~~is~~ ~~whose~~ who's outta
sight 2 introduce Himself 2 us (Isaiah 40:1)
then we begin 2.. ~~to~~ transcend this world within
ourselves & in our attitude 2 others as well as how
we reflect God to others (ie Light) Hence the purpose
4 my life - now. ~~Hovel~~ but I suppose it gets easier
as I decree 2 ~~the~~ ~~the~~ submit & allow God 2
live through me. Cuz ~~I~~ ~~hovel~~ knows oft
times I just want to be selfish. Cuz ~~hurt~~ hurts
sometimes. I give & give & all people do is
TAKE in return - - I treated women like this - we
treat God like this & now it's my turn 2 Be
treated like this. U rep what U sow, so - -
2 become like Christ I have 2 go through some Christ-
like situations & circumstances

Thanks 4 the apology. None needed I'm ok.. I take
life as it presents it - self - feel me? SMTL
I'd rather not be immanent w/my current residence.
Buhh beds hurt :/ Being here is like hell that makes
u yearn 4 God & ensuing ~~hell~~ heaven Amen.
Wish I had one wing !! Rather fly in a cocle then
be here trapped. More violence, hate, all men, greed
gluttony, lust, HATE, screaming, yelling, ~~the~~ ~~the~~ &
~~the~~ vulgarity/N-words, abusive language,
NOT LOVE, sinners, demons, prostitutes, homosexuals, lostness
husbles, manipulation, power trips, lack of compassion, lack of  Jesus (rebel), disrespecl etc

~~classmate~~

I progress

So how's life? Do u find it worth living? What happened 2 yr lawn care business? So have u ever asked Cecil why he made u smart?

I asked him that one day & he reanswered 2 me that it was so I could understand him (somewhat) & teach him 2 the people (standing w/myself) ~~is~~ So as a poem goes

Thank God I'm smart enuf / 2 b dumb enuf /
2 believe in God ~~is~~ (Corinthians 1:17-31)

My God given intelligence tells me -there is a God
~~is~~ Amen.

So here's every body -Wagie, Candice, Kandrea, etc --
Veecher, Veronika Mrs Kirkwood
Octavia ~~is~~

Cool you thought the other poem was deep. the
spirt wrote it. 2 encourage boys & girls; men
& women; & the free & the confined alike. Amen.

Well I'm just having cut, startin 2 live I
not just - exist. there's a difference! ~~is~~
~~as~~ Dead man walking must remain dead.
Dead at God I lost some determination, but I'll
get it back - my ~~is~~ 2; just gotta make myself
set on the road ~~is~~ Amen

How can I lose, when I was created 2 win?
That's the question ~~is~~

I AM WB
