Kaboo,

Greetings & God bless. Haven't U had a stroke?!  
Jesus will fix it. Beyond that how's life  
outside these prison walls Monday U?  
Tell me U Ya a job! one that pays well :-  
Aint seen U in a while catch me up 2 speed.  
Preciate it. What ever became of U & Reggy?

My life's what it is. Surrounded by the devil I  
reach 4 God w/ chewed up hands & migraine headaches.  
Every of my soul tryin 2 drive me insane. Often,  
I'm put into rooms w/ "devil babies". Will they suck  
the life outta me? or will I succeed in giving them  
life 2 life resuscitators? God must help me. I  
battle depression so "dearhness" attacks me more  
often than others.

Well 4 the record they gave me 75 yrs. 2 more I'll see  
Parole for the 1<sup>st</sup> time. ~~Meanwhile~~ Meanwhile I  
struggle w/ giving God 100% & sometimes I struggle  
2 see Him. I see His presence in blessings but less  
in things I don't like/want. That's the hard part of  
Christianity - Can U leave ALL 4 Christ? R U strong  
enuff 2B punched, kicked, spit on, rejected, hit, gossiped  
about, lied on, hustled, mistreated, & maybe even killed  
Do U believe in Jesus that much?

Sometimes I get mad at God but I still got enuff  
sense 2 stay in hot pursuit of Him. I just gotta find  
the 7 2 rip my eyes out :-

Sorry this letter was selfish - but me back  
but promise the next one will be more encouraging :-

Here's an attainable goal - Get God  
God bless I AM WB 2
