

Armageddon blog post after released.

I supposed to had been released on the 25th of july but it was delayed because no interstate failed to approve my interstae on time making me serve a extra couple of weeks subjecting me to crule and unusual punishment and oppression.

I lust wrote one of the brothers in ~~the~~ the il doc. Sence i been out, so many family has been coming to see me and calling me which i would tell you who they are,

monie gave me a big hug at the park, angie gave me a big kiss at the park, ms brandy and the rest of the brandy family gave me hugs and conversations. red randy malik all was there showing me a good ti when i first got out my brother who was rapper chigey original supporter courtney was at my grama erma house, we talked about getting my music off the ground etc, my big sis nicky was there and her children dell and grampa came to pick me up from il doc. everybody been coming through that have different back grounds regarding tribes, like shaun ant talked to dd on the phone saw gerome he picked me up and rode me around i saw maggie d from cali osca and some new cats, nons been feeding me real good and big sis bought me some gear including me linda called and i think is going to have most o my hugers start giving me lil kisses to like lil s monie and then. well see ya power to the oppressed
