HEY BRO WHATS UP? I SEND MY LOVE AND RESPECT TO YOU. I° WANTED TO THANK YOU FOR HAVING MELISSA HANDLE THE TRANSCRIBES FOR US. IT TAKES ALOT OFF OF MY MIND TO HAVE IT LIKE THIS. I HAVE TO KNOW WHATS GOING ON AND SHE HAS TOLD ME WHATS UP. MOM DOES SO MUCH AS IT IS SO HAVING MELISSA IS GREAT BRO. BY NOW YOU KNOW I HAVE GONE CRAZY TRYING TO FIGURE OUT ANYWAY TO GET YOU OUT OF THAT SHIT HOLE AND BACK ON TRACK WITH OUR PLAN. MY MIND WAS THINKING LOWER TURAIN AND THE CRASH HELMET BUT EVEN IF YOU COULD I KNOW YOU DONT WANT TO SPORT THAT HEAD GEAR. IM SURE YOU HAVE BEEN THINKING OF WAY'S TO CATCH A BOS AND YOUR NOT HAVING MUCH LUCK WITH THAT. EVERYTHING ONCE AGAIN GOT SCREWED UP WHEN THIS BACK TO SHIT HOLE ROW LIVING SITUATION WENT DOWN. I GUESS ALL WE CAN HOPE FOR IS APPEAL OR APPEAL ON THAT 19 THOSE RATS NEED TO SUBTRACT. PLEASE TELL ME THAT THATS STILL A VIABLE OPTION. I KNOW YOUR TIRED OF THINKING ABOUT IT ALL BUT IF YOU THINK YOUR OFF TO A 4 I DO NEED TO KNOW

I will keep in touch whenever you are at and honestly I would rather see you on the bus because that camp just won't get off your back. Bro you truly don't realize how fucked up that place is. Tell your gone. Anyhow I'll be working "AM" kitchen in a min. I'm not really actually looking forward to getting up early. Old every other morning I go out and do bar work. The pull ups have kicked my ass but I just do a Jane Fonda but I'm getting healthy again. It's so hard when you take all that time off. I felt so weak when I first started but it's got easier. You havok I don't know how but I have to believe that you can somehow work your magic and get to a different spot than somehow on your way to UAE. If you can get that "19" pull that off you may be able to still make it happen. Look at the C-files, the last years many write ups our shit is mirrored so just get it 59 or under and they don't in anyway want you there so if they can ship that problem your out of there. Try and keep focused on the big picture. I love you bro keep your head up as I know you will. I'll get at you often. Keep the "posts" rolling

Your Dawg
