

- Binge and Purge -

"In my mother's memory"

The first woman  
to break my heart

9/1/14

"Estranged Wife"

If she cant love me  
who is to blame?

8/27/14

"Purge"

I vomit my soul  
at your feet  
only to watch  
you walk away

9/17/06

"Beer Bottles Weep"

Father hid behind  
little green bottles of hate.

9/1/14

"Tears"

I kissed away  
your tears  
which tasted sublime  
for that brief moment  
you were all mine.  
All of my pain vanished  
and I was all yours  
until that moment died.
