Angeliasamae,

Thank you for reading my blog as well as taking time out of your life to transcribe my post. Being allowed to take part of this blog was a blessing. I've been able to talk to my daughter as well as be a small part of the real world. Thank you again.

- Throne of Pain -

I sit in a darkened room
trying to find the story
that binds me to this life of tears
only sound I hear
is of tears falling
into the ocean at my feet.
only I'm not crying
And I'm sure
I am alone? 1/19/14.
