"Black Wealth" 8-23-14

To me true (Black Wealth) is a <sup>sense</sup> of Freedom Mentally or Physically, <sup>and wellness.</sup> I have a Ebony magazine (August 2014 Issue) called The 2014 Black Wealth Issue. "August is Black Wealth Month."

With "Michael Strahan "Demolition Man" Went from the Football field to Daytime T.V. He's a part-time correspondent/<sup>Host</sup> of "Good Morning America". And he's on Live with Kelly and Michael. Boy is he fine. He's A former New York Giants Football player.

SEXY ↑  
MAN!  
LADIES

I used to date a Ex-Football player in society back in "1991" February Name Marlon Hamis he was sexy and intelligent and rich back then. Michael Strahan took some beautiful photos inside this "EBONY" and I like his "three page article" about his history. I wish I could meet this handsome man. I LOVE MY BLACK MEN!

To me "WEALTH" is not only about "MONEY" it's about "lots" of different things in this Life. I would be "Broke" and HAPPY than "RICH" and Unhappy.

"The money don't make the MAN. The man make the "MONEY" in this world."

I think the GAP between Michael Strahan teeth is cute to me. Everything about him to me is SEXY!
