## "REALITY"

9-6-14

I live an "Alternative Lifestyle" that I enjoyed out in society. I used to wear hair weave, make-up, women cloths and shoes etc.

When I "was free" males "would beg me to penetrate them with my penis" males are "Curious Freaks" in this world today. And, behind close doors they have and will do it/all.

I am speaking from experience. I would never get a "SEX-Change" when I had my freedom because "I" would never be able to give a "MAN" I was dating a child naturally from birth and that's something I would have wanted to do but, it would have been impossible.

I've dated in my life a different race of men African-American, Haitian, Rasta, Puer to Rican, lawyers, athletes, doctors, judges, businessmen etc.

Males, will jump out the bed with their female when I was "free" and call me to come meet them at "HOTEL" and have "SEX" with them for my price of money. They don't have love or respect for their own female so they will "NEVER" respect their own kind which are other males. "It's awful on their behalf."

When "I" was living that "Crazy Life" it brought me "lots" of Attention, Money, Happiness and fine "MEN".

So, to all mankind regardless of your "SEXUAL PREFERENCE" use Condoms and just live your life. NOBODY is in a position to judge me or you!

I am open for comments or opinions. "Please Print it!"
