

BREAK OUT THE CHAMPAGNE AND SPILL THE WINE

MAYA ANGELO

APRIL 04, 1928

A CAGED BIRD WON'T BE SILENCED

"Tosh can't be still

Those who wish her "RIP"
Missed her mystique
There is no rest for
Maya

Yes!!! Internal peace!

You're writing in the clouds
Shouting in the wind

No cool breeze for you
You're warming the sun

Painting new bold sparkling
Colors in the rainbows

Now it's the stars turn
to dance [Calypso] with
"Tosh"
