

RAY RICE, NFL FOOTBALL,
AMERICA STYLE, WILD WILD
WEST AND "BITTER FRUIT !!!

UPDATE : SEPTEMBER 8, 2014

When it comes to a Black Man America
never can mete out enough punish-
ment to fit whatever alleged crime.

So, it is plainly demonstrated yet
again in To Monday's, on this count
- amazingly rare uniformity in
the mainstream news media, e.g.,
NBC EVENING NEWS, NBC NEWS.
COM.; ABC EVENING NEWS ABC NEWS.
COM, and so on; screaming out
hysterically for Rice's Head, Hel-
met and Balls !!!

And NFL Commissioner Roger
Goodell arbitrarily and willing-
ly rushed to oblige the angry
mob!!

Therefore, he suspended him

Indefinitely. His former Team The Baltimore Ravens fired him! His teammates abandoned him in rushing to pick-up their BONUS paycheck!

The millionaires Talking Heads, Pundits, from their "Gated Fantasy Lande" appeared in the Chatter-Box - e.g., Christine Brennan, ABC NEWS, and Kevin Blackstone, ESPN, Guests, on PBS NEWS HOUR PBS.org, with Host Judy Woodruff condemned Rice, and proclaimed: he was out of the NFL for good!!!

Whod! And Woe too!! We - this blogger too - know Rice did an outrageous wrong; so too he publicly admitted it!

BUT FAIR PLAY must shield Rice,

as well as You and I from Heated Passion and corporate Self-Interest.

This is about FAIRNESS!!
Rice Lost \$40 million; a Profess-
ion; his good Reputation; ASSO-
ciates; Fans; and so on.

Who shall pay his Family House-
hold, Insurance, Mortgage, and
so forth Bills!??

However, how many times can
it be gone back to modify and
multiple this Apparent First
offender's Punishment for a
single same outrageous offense.

Plus, the NFL arbitrarily chang-
ed and changes the Rules after
the committed offense! Like-
cut off his Head, afterwards

- arbitrarily make-up and re-make-up and use new so-called rules to back-up this unfair action.

This is UNAMERICAN, it is UNFAIR and ARBITRARY and APPEARS UNLAWFUL ON ITS FACE.

Rice had NO ADVANCE NOTICE OF RULES, POLICY AND PENALTIES. HE HAD NO HEARING PROCESS. HE WAS NOT TRIED BUT PUNISHED IN THE elitist media. Ms. Brennan, Zd, candidly admitted Mr. Goodell's actions were NFL PR.

Mr. Rice Please get a damn good and fearless fighting lawyer (or lawyers) a late William Kunstler, and get cowardly NFL UNION to help save your job. And or at the least"

SHOW ME THE MONEY!" The NFL OWE
YOU \$40 MILLION PLUS COMPENSATION
FOR WRONGS DONE TO YOU AND YOUR
FAMILY!

DUE TO AMERICA'S HISTORY, BLACK
MEN MUST NOT BE MADE THE POSTER
FOR DOMESTIC ABUSE, NO MORE SO
THAN GAY CIVIL RIGHTS !!
