

## "AUTHOR Needs Help With" Getting His Books Published

(I)

Greetings and well wishes to the reader(s) of this blog;  
I'm an author of several unpublished books and screenplays. Due to myself being indigent, incarcerated, no internet access and no family support, it's been extremely difficult in making my dream of becoming a published author a reality. My books and plays are all handwritten on loose paper and/or in notebooks.

The 1<sup>st</sup> stage in getting my work published is to have it typed in accordance to the specifications that most publishers want them for submission. One of my major setbacks, is that I have no typewriter or access to one.

I appeal to the reader(s) of this blog to purchase a typewriter for me, "Jack L. Marcus, Inc.", out of Milwaukee Wis, is the only vendor where Wisconsin inmates can receive a typewriter from, which is unconstitutional under the Federal Free Trade Agreement law, but this is a whole separate battle by itself.

At any rate, you may purchase the typewriter on a lay-a-way plan, if it's more convenient for any of you. All those who helped in securing a typewriter for me, will definitely receive a special shout-out and a honorable mention in my 1<sup>st</sup> book titled: "Millenium Toast."

Once published this book will top the New York's best seller list, Barnes & Nobles and Amazon.com. My 2<sup>nd</sup> request is, if there is anyone out there willing to help me, if not with the typewriter, then at least help me with getting on websites such as: "Kickstarter" and/or "Go Fund Me", again, I have no internet access, family support or anyone dependable that believes in me. God has given me one gift, and that's the gift of creative writing. A synopsis of "Millenium Toast" is:

An epic tale of the adventures of Sappy and Cotton Candy, two ladies of the dark night, who were mystically guided towards that divine light. They have pledged their lives, love & loyalty to The Pimp-God's only begotten son: Pope, Raw Boss Game, The 3<sup>rd</sup>, The

living word in Flesh MADE MANIFEST. In the process of spreading their legs and the Gospel of The Pope, They Fight, Flirt, MAKE love & WAR, Friends and enemies. They're loved by MANY and Hated by A FEW.

In their establishment of the New Kingdom, they take on Angels & JINN, BEAST & MEN, characters & criminals of all kind, (Real life and Fictional) They take on, Party with and subdue Famous Hollywood Rock and Rap stars, that will bring tears to your eyes and CRAMPS to your stomach, FROM SO MUCH LAUGHTER!!!

This book is profoundly HILARIOUS, exquisitely and uniquely written in RHYME FASHION. Will the Girls save Fallen HUMANITY???. Will lost souls be Resurrected THRU the Blood of The Pope???

It's only one way to find out. When it's published, read "Millenium TOAST"!!!

F.Y.I - "Toast" is a old school term for poems, spoken word and compositions written in RHYME FASHION

God Bless you all, and thank you very much from the depths of my heart for any and all help that your able to provide.

Respectfully written & submitted
