

Courtney,

Happy Birthday!

CA STATE PRISON
CCI-TEHACHAPI
FACILITY D DORM 8

I hope you are happy, healthy and know you are loved. please don't be mad at me for writing to your house in arizonia. I sent that letter to you out of desperation. I felt that I had no other choice but to write to you and Casey and beg you both to give me one last chance to be in your lives. I am sorry!

I love you. I've loved you from the moment misty told me she was pregnant with you. If you have decided to have nothing more to do with me I don't blame you. I beg you to please consider sending me pictures of you and Casey when you were little until now. If you decide that you will honor my request and you don't feel comfortable using your return address you could contact your sister Noel or Alicia either by phone or facebook to get their address and I'm sure they will send me the photo's.

I love you and think of you every day.
please be safe

love always
