Good morning! Thank you so very much for your help at BTB, and for giving me a voice that extends outside these walls.

yes, your correct, I shouldn't have such an attitude that Catholicism is the only way. southern Baptist think their way is the only way, and they get under my skin, cause you can't find Christ like qualities in them. They are the most hateful, judgmental individuals I've ever run into. Probably find more compassion in satan himself than you could in a Baptist church.

our chaplains all 3 are Baptist, and they hate Catholics! They say Roman Catholicism is the great whore in Revelations 17. so I need to back off of that.

Thanks again for your help.

God bless you.

In Peace & Love

C. Jamie
