

Lindapolk,

I just received your reply dated June 5, 2014. Unless we are locked down I will always respond the day I receive a reply. Thank you for the clarification for my submission. Don't worry about any sort of payment. I'm simply happy that I could contribute to such a wonderful work.

Thank you for the SUMMARY OF FINDINGS. I love to read about what's going on in other prison systems for comparisons.
Rich.
