Nikki,

Gracious greetings from myself & Jesus Christ.  
I find myself dealing with ~~the~~ the seemingly impossible  
tryin 2 B like God in an environment that actively  
promotes the devil. Yes Prison is under Satans domination  
Yes this is actually hell on earth. Right now chow has  
ended & there's yellin & screaming & pride & ego & lust  
& vulgarities as 117 men compete 4 a woman who's  
"married w/kids". I'll be alright. Though daily I find it  
hard 2 reside in a cell w/someone who's the complete  
opposite of me. But this is God's will, so I must  
determine 2 accept it & thank God 4 it. I'm not  
there yet. Christianity - also - is a process. A process of  
dying to my daily selfishness in favor fer Godly selfless-  
ness. Sometimes I would rather write books than love  
my neighbor as myself. 17 yrs in prison has ~~made~~ me  
less fond of male company or companion ship. Prison  
breeds the complete opposite of realistic morals & values.  
God will fix me - if I let Him. Dave 2 mature enough  
2 thank Him 4 the things I don't like in my life. I like  
no mail from my daughter & still being in prison. Likes!!  
That brings me 2 your question - "Do u think u'll be  
out soon?"

The only answer I can give ~~is~~ is - I have no idea  
when ~~I'm~~ I'm gettin out! Likes! I have ruffly 21  
months till I see parole (ie June 2016) from  
there it's any body's game. As it stands on paper  
they can hold ~~me~~ 4 the rest of my life - I doubt  
I'll live 2 B 93! At this point I'm not even inclined to  
want to - But I pray that God will see fit 2  $\frac{1}{2}$  an  
abundance ~~of~~ of grace & mercy to release me way  
earlier than ~~any~~ any of my projected release dates.  
At present He has blessed me with a team of lawyers  
4 FREE! They say I  $\frac{1}{2}$  issues & get back into court  
now I'm just waiting 4 them 2 contact me, while prayin  
every day 4 the strength & wisdom 2 get through today

prison gets old pretty quick...

It's unfortunate about your friend.. Maybe he'll go str8 to a minimum work release. Hope so: it's less prison; from what I hear NE ways... I pray he sees that prison definitely ~~and~~ where it's at. I pray he has an awakening & commits his life 2 God & pursues blessings rather than curses. Amen. Prison messes w/ u & it messes u up... I yearn 2 leave, yearn 2 not be here all the time. It's a nut house & it's cold - very, very cold. & boring & ffful & violent & greed & gluttonous & envious & selfish & unloving, uncaring etc.

Well thank U 4 looking out 4 him from the outside. He will definitely need the assistance & listening ear. Not 2 mention letters, visits, phone calls, pictures, cards, words of encouragement, etc. - the love, the love, the love, the hopefulness. Lately a lot of people in here  $\frac{1}{2}$  been losing their relationship w/ wives or girlfriends. X? Some just don't know how/or can't be there 2 support the person mentally, physically, emotionally, spiritually, financially. Luringly - One guy's girl told him flat out "I'm breaking up with u... <sup>soon</sup> wake me up when u get out & we'll go from there." Xikes. Thanks again 4 being there fer ur boyfriend. I pray y'all ~~relationship~~ relationship continues 2 relate 2 both parties while he's incarcerated. Takes a strong woman 2 stand by her man/friend in these dark & evil times.

Yes I met Bill several months ago at church. Herself haven't seen him since but I see his friend Paul ~~every day~~ every day, pretty much. Well I look 4ward 2 seeing the picture of u : At some point I  $\frac{1}{2}$  2 take some more maybe post some on the blog or least get me a face book page. Sure I'm the only person in America w/ out 1 Myspace might just be bout displaying my clothing designs & ~~some~~ some poetry Beyond that. ~~nothing~~ Nothing 2 it

HAPPY BELATED Birthday :)

So how was your 31<sup>st</sup> B-day? Plenty cake & ice cream I suppose, or do u tend 2 celebrate age less, at this point? Inquiring minds want 2 know; I tend 2 write a poem or 2 of self-reflection as well as listen/wait 4 God 2 give me some spiritual words of encouragement ☺ Amen like one time He simply told me → "U were born 4 others"

So how are all the 1st ones? Is life less hectic now that school has started back?

My last question is -- have U made the best choice in life & accepted Jesus into your life, as Ur Lord & Saviour? It's life changing I promise U. (See does HE). If U have any questions about God or religion Please do not hesitate 2 ask me. Thank U.

In other news my beloved daughter just turned 17 on Friday & I've turned 34 on Sat. ~~Began~~  
(10-3-14) (10-4-14)

Beyond that just workin on my relationship w/ God & comin 2 grips w/ the spiritual realities in my life. HARD but it must be done!! Amen Compassion ~~fatigue~~ must be overcome. must be conquered, so I can step from my back on people stop leadin my heart turn its back on God ☺ Proverbs 4:23 Need my ☺ just 2 write from it ☺  
Pray 4 me. Servetus, What my ☺ I'm nothing

"Sonja just came back from church... Bill's frenen Pat took the liberty to show me his picture. Apparently 'he' really likes your pet. Hashtag "Aint that a cool dog?" Well U don't look 31 so much, more like 23 ☺ It's cool" Sun 10-19-14
