Hello FRIENDS,

I WANT you to IMAGINE, FOR
A MOMENT THAT you WERE SHAKING
A PRISON DORMITORY WITH AN ECCENTRIC
GENIUS LIKE NIKOLA TESLA (1856-1943),
DR ROYAL RAYMOND RIFE, EVEN A "RAINMAN"
LIKE CHARACTER WHO SEEMED TO SIMPLY
babble on ABOUT THINGS LIKE THEORETICAL
physics on a MINUTE AND MOLECULAR
biology for NEXT. -

And THEN, suddenly, you REALIZED
THAT you WERENT caught up in an
episode of the twilight zone - and
THAT seemingly "bugged out babblers"
WAS ACTUALLY SPEAKING ENGLISH. ^{we} _o
Well, I'd like you to MEET A
NEW friend of mine, AN INVENTOR,
DR. JOSEPH P. FOX (A.K.A. LUIS MIGUEL
HERNANDEZ BATISTA - same family ^o _o)
IT TURNS OUT THAT THE ECCENTRIC
babblers EARNED A DOCTORATE IN
MOLECULAR Biology, A Ph.D ON THE
TELOMERASE ENZYME AND VARIOUS OTHER
degrees in Biotech, Computer Tech, Electronics
Tech, and NUCLEAR Microbiology NUCLEAR
Medicine ^o _o NO WONDER NO ONE KNOWS
WHAT THE heck he's talking ABOUT. ^{oo} _o

I'm forwarding a couple of drawings that may appear almost
controversial at first glance -
perhaps like something you might
find in the back of a 1960's
Batman comic ^{or} DC or Marvel.
Keep in mind - Although Leonardo
Da Vinci comes high on his list of
'Ideas' (2nd to Tesla) he's NO
ARTIST. ☺

Seriously - TAKE A LOOK AT
his WEBSITE 2FOOTBIKE.COM -
PARTICULARLY TELEGENESIS, INC
(The Fountain of Youth formula)
After you take a look at his
POTENTIAL "Cure for Cancer" -
Before scoffing - "☺" pull up:

[www.puppstheories.com/forum/index.php?](http://www.puppstheories.com/forum/index.php?showtopic=6521)
showtopic=6521.

then Google DR ROYAL RAYMOND RIFE
and 'UNIVERSAL PRISMATIC MICROSCOPE'
ALSO: HARRY HOXSEY and HERBAL CANCER
REMEDY.

Finally: JAMES FOLSOM and "NUTRE-
TRONICS" - ASTROPUSE - BIOSOLUTIONS, ET AL

ONCE YOU SEE WHAT I SAW -
I challenge you to pass the link
to a microbiologist, an epidemiologist,
virologist and some are from the A.C.D.C.
THEN HOLD UP TO ME. ☺
GARY

To the M.I.T. Students, I send drawings!

Please imagine that these inventor's latest drawings are diamonds! And are as important as the first "microwave tube" that spawned M.I.T. in World War II.

And just like the british inventor, (AND Royal RIFE) I am kind of in a "jam", (in the war (google this Royal Rife) against cancer and infectious diseases), and I need you to "adopt" these "orphan" inventions and save mankind, again, just like M.I.T. did in W-W-2!

History repeats itself here, with microwaves! I added some (see how M.I.T. started in History.)

more secrets, like the 3D Mirror Microscope, and many others. Maybe you can save me from these false accusations and false prosecutions; see 2 FOOT BIKE .CO and .COM JOE FOX PROJECTS TRUST FUND .COM FIGHT-FOR-HUMANITY

But, in the meantime, save the babies; Joe Fox Inventor

THE FIRST 3-D MIRROR MICROSCOPE!

WIBBOB

REDESIGNED-BY-FOX!

SEE VIRUSES IN ACTION!
INSIDE CELLS IN 3D!

it uses Mirrors To MAGNIFY! Not Lenses

- No Lenses, No Light Scatter
- No Blurriness! Clear!
- Full Perfect Colors Too!
- the First for Chromatography
- Others Magnify To 2,000x only, This one is 60,000 and better!

H
HYDRAULIC
PISTONS
NO CHAINS!
NO FUEL!

LEGPRESS PUSH WITH BOTH FEET FOR MUCH MORE POWER!

Copyright Joseph Fox, August, 2013
all rights reserved

This bicycle, uses TWO FEET AT THE SAME TIME LIKE A LEGPRESS! OTHER BICYCLES USE ONLY ONE FOOT AT A TIME; THIS ONE USES BOTH FEET AT A TIME FOR MUCH MORE POWER! ONE FOOT IS 40 FOOT POUNDS, (20mph); BOTH FEET IS 600 FOOT POUNDS! 60mph! (LEGPRESS!) BUT BOTH FEET WILL SNAP THE CHAIN OF ANY BICYCLE! SO WE THOUGHT OF A HYDRAULIC CAR-JACK WOULD BE NEEDED TO LIFT SO MUCH! SO WE THOUGHT, THAT'S IT! YOU'RE SITTING ON A HYDRAULIC CAR-JACK, WITH A HOSE TO THE SECOND PISTON, THAT THEN TURNS THE TIRE! A HYDRAULIC DRIVE! LIKE A HYDRAULIC CARJACK CHOO-CHOO TRAIN DRIVE: 2FOOTBIKE!

With 600 Foot Pounds! 60 miles an hour!
