Calhoun25,

Thank you for your kind comments concerning my poetry. For you to even say they remind you of T.S. Elliot and W.H. Auden blew my mind. The reason why I organized the poem the way I did was because they were written for specific people but I also wanted them to read the other poems. I also started those poems by writing the title first and I enjoy the way they turned out. Thank you again.

Sincerely

The only compliment she ever gave me  
was she didn't have to worry about me  
because I fit right in that kindave place
