Dear BostonRocks,

Thank you so much for transcribing my post. Please transcribe when you can as it really helps make the content searchable. Your efforts are appreciated.

CURE-ARM is looking for someone to take over our email and facebook page. Our former manager can no longer do so. Is there any way you can help us with this. I can assure you it won't be too much work. Let me know what you think you may be able to do.

Thank you again and I truly hope to hear back from you again very soon.

dark times and cold fields of struggle.
We are more than that can destroy;
at the brink of failure we rise.
Flesh and bone defies concrete and steel,
closing horizon all the more real."
