

OLE WHOOP! HAS PUT HER
TWO FACES ON VIEW...

ABC THE VIEW.COM

UPDATE:

I've written several pieces on
Whoopi Goldberg, CO-ANCHOR OF
ABC THE VIEW.COM

I anxiously anticipated and
WONDERED how she would blend
with robust Rosie O'DON-
nell and, of course, the two
other new CO-ANCHORS.

Whoopi blew my mind in op-
posite. Why, she - being an
OSCAR WINNING Actor - IS NOW
instead: playing the com-
plementary TEAM PLAYER!

Therefore, I must now sur-
mise Whoopi intentionally sabotaged

CO-ANCHORS Sherri Shepard and
JENNY McCarthy jobs ON THE VIEW ✓

I have previously written about:
how JENNY and Sherri were ob-
stensibly hugely intimidat-
ed by mighty Whoopi! Why,
she would not allow them time
to express their opinion, which
is... was their job. Then did
mocking, belittling body lan-
guage routines to the Audience
when they dared to SNEAK a
trembling word... INTO THE
VIEW.

Those shows were! Whoopi
ONE WOMAN ACT !!!

she even SKIPPED CO-ANCHOR
JENNY's last Kiss Good-bye
show !!!

2 of 3

However, the Tuesday of October
2014 Premiere Week Rosie as-
serted her [SENT OF A WOMAN!
LOL!!] Right to TALK; i.e.
earn her considerable pay:
"This is a talk show [...], isn't
it"!!!

EVER SINCE - thus far - Whoopi
has been "Sweet talk" to co-
anchors; as she ought
to be!

I would give a shiny new
penny to know JENNY and
Sherri Review of the "New"
Whoopi ON the VIEW...

KEEP ON WONDERING
