PLEASE SUPPORT THE COMMUTATION PETITION OF:

J O S E P H L A B R I O L A

Joseph Labriola was awarded the Bronze Star with Battle "V" for Valor and The Purple Heart for his combat service in Vietnam. He has been in prison for 41 years for a crime for which he has always maintained his innocence.

Joe helped to found the American Veterans in Prison in 1973 and serves as the Commander of the Shirley Chapter today. Joe has been active in the Norfolk Lifers' Group, serving as a former chairman, and has always worked to enhance public safety during the course of his incarceration. Joe has remained a true "hero" in every sense of the word.

The sad truth is that Joe may be facing the biggest challenge of his life at this time; that being his end stage bronchiastasis/COPD. This American war hero desrves to live out his remaining years in freedom; he has served his time.
