Dear BostonRocks,

Thank you for again transcribing my posts. Would it be at all possible for you to take over management of the CURE-ARM, INC. facebook page? Our current manager can no longer help out, personal issues, and it leaves us in a real bind. Not too much work, just posting some position papers and other short materials from time to time. You would be doing us a great favor. Let me know if you can help out? Thank you again.
