ORANGE IS THE NEW BLACK
STRANGE DAYS - INDEED
SANFORD EXPERIMENT
DR. ZIMMABA [CIRCA 1997]

IN the NOW CELEBRITY NEWS:
It's reported the Female Script
Writer of NETFLIX'S ORIGINAL Hit
Series ORANGE IS THE NEW BLACK -
IN her writing process, had an
"Aha Moment"!! of being a LESBIAN;
then left her Long Time Husband
to "hook-up" with ONE of the
DRAMA Black Female Players.

Then too it's reported that to
enhance "Real REALNESS", like
IN "REAL WORLD" PRISONS Prison-
ers Life experiences ON the

Show the Producers BAN all MAKE-UP to the Players.

Therefore, like in Real Prison, the cast players get caught smuggling cosmetics items onto the set.

LOOK - I am in a SOLITARY cage with NO immediate access to related RESEARCH MATERIALS.

So, as you read this - Please assist me along to Communal UNIVERSAL ILLUMINATION:

WONDERING:

These Scenarios are Reminiscent of the famous "SANFORD ["UNIVERSITY"] EXPERIMENT," IN

Which Dr. Zimbardo [sic] created a mock-up prison environment with all-white-male student-prisoners and divided into student-guards. Himself as warden.

The student-guards deteriorated into sadistical privileges and rules and arbitrary enforcer - attitudinal.

The student-prisoners developed traits found in real life

prisoners [e.g. rebellious; "us against pigs" and ad infinitum mentality]...

The warden - Dr. Zimbardo (sic) - in his own professional opinion -

developed unacceptable personality traits.

The Program was abruptly terminated.

It resulted in new REGULATIONS governing human-subjects experiments.

WE WONDER if the Role Play-
ON HBO DRAMA ORANGE IS THE NEW
BLACK, suffering from THE SAN-
FORD SYNDROME !!

They may need a PRISONBREAK !!
LOL!

KEEP ON WONDERING !!
