Dear EricaJM,

Thank you so much for transcribing my posts. I really appreciate it. Without the transcription folks surfing the web cannot find the content so your help is extremely valuable to me and the groups I work with.

Do you think it might be possible for you to assist us at CURE-ARM, INC.? You can find out more about our upstart reform organization at our facebook page;

www.facebook.com/curearminc

We are seeking help with email management, facebook management, and internet research. Nothing too labor intensive. Let me know if you may be able to get involved in the "cause" for public safety reform? Contact me directly at;

"When we paint our masterpiece,
the world need not view it.
Its power will radiate brightly,
a vision shared through it.
A change in the fabric of the world,
is what will make it a success.
Its effect so unstopably profound,
it will put all fears to rest"
