

OLMECS

REDEMPTION, LTR. 76

ITS ABOUT TIME I EDUCATE MY PEOPLE AGAIN, TO ANNOUNCE THAT US BLACKS CAN BE FOUND ALL OVER THE PLANET, BECAUSE OF ALL THE LOST CIVILIZATIONS OF MESO-AMERIKA, "THE OLMECS" IS THE OLDEST & THE MOST MYSTIFYING CULTURE DISCOVERED, AN IT WAS BY ALL COUNTS THE MOTHER CIVILIZATION, COPIED, & ADOPTED BY ALL THE OTHER MESO-AMERIKA CIVILIZATIONS, THAT WAS BUILT ALONG THE MEXICAN GULF COAST AT THE BEGINNING OF THE SECOND MILLENNIUM B.C., THE OLMECS WERE IN REALTY A ENIGMA, STRANGERS IN A STRANGE LAND, STRANGERS FROM ACROSS THE SEAS, PEOPLE WHO BELONGED NOT JUST TO ANOTHER LAND BUT TO ANOTHER CONTINENT... IN AREAS OF A MARSHY COASTS WHERE STONE IS RARE, THEY CREATED & LEFT BEHIND STONE MONUMENTS THAT AMAZE TO THIS VERY DAY, THAT REFLECT MAGNIFICENT SCULPTURES OF THAT MOST AMAZINGLY REPRESENTS AFRIKANS, AND THE HEADS OF NEGROID FEATURES, MEASURED ABOUT 12 FEET HIGH & WEIGHING ABOUT 24 TONS, AS IT DEPICTS WITHOUT QUESTION A NEGROID AFRIKAN WEARING A DISTINCT HELMET, AS THE OLMECS WERE TALL & HEAVILY BUILT WITH MUSCULAR BODIES, WERE SEEN AS "GIANTS" IN THE EYES OF THE INDIAN POPULATION, BECAUSE THE OLMECS LEFT BEHIND, SCATTERED THROUGHOUT A VAST AREA OF MESO-AMERIKA THAT CONNECTED THE GULF & PACIFIC COASTS, HUNDREDS OF THOUSANDS OF DEPICTIONS OF THEMSELVES WAS LEFT... THE SCULPTURES STONE CARVINGS, BAS-RELIEFS, STATUETTES, IS ALWAYS SEEN AS BLACK AFRIKAN FACES, AS ON "JADES" FROM THE SACRED PARTS OF MEXICO, AN IT IS KNOWN THAT "THE AFRIKAN OLMECS" WERE THE FIRST, BECAUSE LEGENDS & ARCHAEOLOGICAL EVIDENCE INDICATE THAT THE OLMECS DID NOT STOP AT THE EDGE OF THE OCEAN, BUT PUSHED ON SOUTHWARD INTO CENTRAL AMERIKA & THE NORTHERN LANDS OF SOUTH AMERIKA, HAVING A VERY BIG INFLUENCE ON OTHER CIVILIZATIONS, AS THEY CERTAINLY LEFT TRACES OF THEIR PRESENCE & THEIR EXISTENCE ALL OVER MESO-AMERIKA, AS BEING DEITIES WEARING CERIMONAL HEADDRESSES WITH THE FACIAL FEATURES OF A AFRIKAN, AN THEY LEFT NUMEROUS STATUES & PORTRAITS BEHIND... AS THE OLMECS CREATED THE GAME CALLED "BASKETBALL" BY SETTING UP 30 FEET BASKETBALL RIMS ABOVE THE GROUND, THAT IS A STONE RING, AN TO WIN THE GAME THE BALL PLAYERS HAD TO THROW A BALL OF SOLID RUBBER THROUGH THE RINGS, AS KNOWN AS BASKETBALL RIMS, AN THERE WERE SEVEN PLAYERS IN EACH TEAM & THE TEAM THAT LOST, PAID A HEAVY PRICE, AS ITS LEADER WAS DECAPITATED... SO IF ANY OF MY LATINO PEOPLE, DOUBT US AFRIKAN BLACK PEOPLE AS BEING THE FIRST, THEY CAN CHECK OUT "THE OLMEC" ANCIENT CIVILIZATION THAT SCHOOLED THE MAYANS, AZTECS, & INCANS...
