BostonRocks,

I am very sorry it has taken so long to respond to your comments. I just received today, 11-10-14, your comments you left beginning in July.

I would like to respond ASAP but it is not possible to do so on my end but I will respond as soon as I receive information that a comment has been left for me, which is done through BtB and the US postal service, which can take weeks or months, as you can tell.

I do appreciate that BtB has a large volume of responses and comments to deal with and I am not the only one they provide this service for so, I ask that we both be patient with the slow process.

However, I encourage you to continue to leave comments and I hope you continue to find something worthy of reading from me.

I love the peace of mind your comments bring, the fact that you took the time to even read my material is satisfaction enough. Your comments are valued and appreciated.

Thank you.

Have a great Thanksgiving and keep Boston Rocking!

Your friend,

*Keith*
