

- The memory of forgetting -

- Fire and water -

The girl I feel in love with
hides in the woman
made of scars.

The man / boy that I am
wants to save her.

I cry tears of shame
because I can't!

You sit there

waiting for the resurrection

but I've got news for you
we're already dead!

Roland 12/15/14

When I try to remember the past, I get frustrated because there is a few spot light moments, its mostly a dark room I've never been in before. I keep stumbling into furniture and I'm growing tired of asking for help "will someone please turn on the light?" So I use the blood seeping out of the wounds on my legs to attract the starving ghosts into that room so I wont be alone with my fragmented thoughts.
