Dear Boston Rocks,

My hopes are that you will in fact understand that there are sometimes disagreements in the work we do; we do not criticize but just move forward. Every story has two sides, but sometimes you don't need to tell it to insulate those in pain. Just know that our "cause" is a truly worthy one and we would truly appreciate your help. Let me know what you may be able to do for us. "Cops" will always hate "cons", unless they learn to slay their own demons. Let our work speak for itself; not the opinion of haters. I do hope to hear from you soon. I am,

In Struggle,
