'REPLY TO' Allston

Dear Ashley Nichole:

Hello! I'm sorry

it's taken this long to send another  
reply. But i've been back and forth  
to hospital concerning seizures from  
a old concussion. Ashley it's some really  
important things i would like to tell  
you but i can't on this blog. I wish u  
would write me at my prison address  
0-155. It is very important so please  
write A.S.A.P. There is a purpose for  
all of us in the life-time we live but  
you have to be of an open mind in order  
to realize this. But it's right in front  
of us no matter how long it takes to  
realize this. It was revealed to me  
in 95-96. Even tho in a so-called  
trouble maker. so i went thru alot  
of drama every cell-mate i had but  
the last person was hispanic and he  
argued all the time but we got close so  
he told me he was being bullied so  
there was a hit on him but before they  
could stab him again i saved his life. so i  
put his safety before mine. Did i didnt have  
to physically stop them. I yelled at them. And they  
stopped. Imagine that.
