

CONVERSION

by Timothy J. Muise

* * * * *

Saul of Tarsus,
mass murderer of the worst sort.
Paul in Corinth,
mass healer of the whole world.

Hatred of prisoners,
what concept does it come under?
Crime rates soar,
is it any wonder?

Why not I,
Why can't I be the one?
Who are you,
my chances you shun?

Prisoners can change,
no matter whats in your heart.
Your hatred implodes,
maybe this can be a start?

Read with disdain,
what I write about hope.
Stay far away,
from tightening death's rope.
