Dear Rita,

01-13-15

Howdy! I'm finally catching up!

I love red hair. I wish I could color mine.

I hadn't heard from Martine in a while, but I got a letter from her today. I'm very sorry that you two didn't remain friends.

People here at this new place are even more uptight about others being gay. Oklahoma is a very conservative & backwards state. There are hardly any open gays on this compound.

I really hope things are going well for George. He's been jerked around too much. At least he has parole. There is no parole in the federal system.

I've never tried Zumba, but would love to learn. I was dancing in the unit one night & it caused a huge scandal. This place is crazy!

Love Hugs,
