Dear Rita,

01-17-15

Thank you so much for your kind comments!
Yes, it was difficult adjusting to that new place
& here I am doing the same thing again. 2014 was a
very stressful year for me & I really hope that 2015
is better. And although I only have one cellie to deal
with now, he is the most disrespectful & mentally unstable
cellie I've had in 10 years. Ugh.

I hope things go better for George this year too.
He's really being jerked around.

Many Blessings,
