Dear Rita,

01-17-15

Hiwdy!

I think these comments were sent in another posting, but it's always great to hear from you.

I'm keeping my fingers crossed that George gets out this year. At least he has a chance to get out.

The federal system that I am in doesn't have parole.

I've heard state prisons are much easier than the "feds".

Best wishes,
