Wassup CAT BABE? How have you BEEN? Why have'nt you wrote me direct yet? You say you think about me a lot AND miss me, but you don't show it. You act like we don't know each other OR NEVER met in the FLESH before. When I went back to Florida, AND if I would of took you with me, would you still be sending me messages through a blog. Yo don't send me a dumb ASS message saying you love me CAUSE you ~~are~~ don't show it. And this time ANSWER my questions.

Sincerely

MIKE
