"The Michael Brown Jr. Murder": 12-26-14

I want to speak out about this Michael Brown Jr murder in Ferguson, Missouri that happened on August 9th 2014... According to The Media "he had just got caught stealing from a Convenience store before his murder by Officer Darren Wilson 28-years-old... It was said he tried to grab his gun and it was a bruise on the side of office Darren Wilson face which I don't believe at all... Then later on down the line... I heard it was his blood found inside the COPS car...

I really don't know what to believe anymore but, I will say this though... It's too much POLICE BRUTALITY throughout this Country called AMERICA... And, I live in a Police state FLORIDA... And, the Cops are the ENEMY of the People... The Police is just killing up all OUR BLACK TEENAGERS "all around the WORLD it's A SHAME! And they are getting away with it... When does it END?"

I heard on my radio that officer Darren Wilson got acquitted by the grand jury for the murder of Michael Brown Jr on November 24th 2014... Another COP "got away scot-free... Again like they always do... It breaks my HEART! I AM glad I don't have NO CHILDREN" out there...

I feel like "Officer Darren Wilson" needs to be punished and locked up for the murder of Michael Brown Jr... That would be True Justice "served here in AMERICA this Country we live in... To me it's a Control and racist thing with these (Crooked Cops) No Doubt about it! These are the black teenagers I AM aware of that's been killed that was unarmed Trayvon Martin February 26th 2012 Jordan Davis November 23rd 2012 and Michael Brown Jr... This type of behavior is INSANE "to me done by the COPS... In, that COLD WORLD "out there..."

P.S. I AM going to LEAVE you all with this they NEED to LOCK all Crooked Cops up out there in the World White or Black or Spanish... They don't deserve to have Control or that position of AUTHORITY over the American Citizens in this Country at all.
