

Self-righteous,
ever so pure.
On your birth,
the star appeared.
Point the finger, condemn.
All are guilty,
in this court,
for you are judge.
All that's needed,
is one side of the story.
I understand,
this is, your religious moment.

Accuser,
in front of you I stand.
Is this judgment from heaven
or from men?
Why is your forgiveness necessary?
You have, no salvation to give.
This is,
your religious moment.
Self-righteous?
Get behind me, Satan.

Don't forgive me,
thus you will be judged the same.
Hypocrite.
Among you,
who is w/o sin?
Throw the first stone.
Your religious moment,
is lost.
