Hello Natasha1432,

Glad to read your response. I thank you for taking the time to read my post and respond to it. I take pleasure at reading all comments and invite you to continue to do so. If here is a specific genre you would like to read from this writer, please do not hesitate to let it be known. I have something in every category for you to read, other than true romance, erotica and westerns but, if a request is made in any category, I am sure once I master that technique I can accommodate and I shall put them on my reader list.

Sincerely,

Keith
